## Reasons to choose

# FastLatch

### Quick to install

- Quick and easy to fit - saves time for both the professional and DIY installer. See install video at [www.uniononline.co.uk/fastlatch](http://www.uniononline.co.uk/fastlatch).
- Side ribs for a secure fit, with no movement and no visible fixings.
- Supplied with both round and square corner strikes, so the correct option can be tailored to either first install or retro fit.

### Style

- Attractive and modern design which suites with other door furniture, providing a stylish interior finish.
- Available in three high quality finishes, polished chrome, polished brass and satin nickel.
- Latch finish matches faceplate and strike, for a consistent and aesthetically pleasing appearance.

### Reliable

- 800,000 close cycles tested to ensure excellent reliability and provide decades of use.
- Bolt through fixing holes to allow a more secure fixing of door furniture over time - reducing wear and tear on the door.
- 5 year guarantee - your assurance of UNION quality and reliability.
